First In The LowcountrySM

IT DOES NOT COST YOU ANY MORE TO WORK WITH THE BEST, BUT IT COULD COST YOU TO WORK WITH THE LESS EXPERIENCED!

Thank you for taking the time to visit our website. We thank our valued clients for their continued support and we look forward to serving those whom we have not yet met.

As we enter our 52nd year as a leader in our market, our #1 GOAL remains the same: to provide YOU WITH THE BEST CUSTOMER SERVICE POSSIBLE.

If you have not yet found your "piece of Paradise", now is a great time to consider becoming one of our newest neighbors and discover why we call this special place, home. Values are great; selection is wide; interest rates are low and we are "reaching build out" in many areas. Hilton Head has actively reduced residential and commercial growth to better preserve the land and reduce density. This has resulted in more nature conservancies, parks, nature trails, picnic grounds and athletic fields for our active community.

We are pleased to offer you the most experienced and professional sales and support staff in our market. Our average sales professional enjoys over 20 years of local real estate experience. We have sold more real estate than any other agency here since 1957 and we are happy to share that experience with you.

Please let us know how we may further serve you.

Sincerely,

Craig C. Ostergard, Broker-in Charge
